## Message from the Trustee

We at KBS, firmly believe that education should be provided beyond the confines of the text book learning and it should aim towards changing hearts and mindsets. Our curriculum gives our students better understanding of the world and equips them with the essential professional tools of computer applications to succeed, by shaping up their passion to excel in their career path. In today's competitive world, student's success depends on unleashing creative side of their persona and giving right direction to their academic passion through flexibility in curriculum. These key factors give a sustainable winning edge to our students.

Our curriculum is specifically designed to meet the ever-changing needs of the industry. Our program in computer skills, and corporate training help students develop into highly skilled and most sought after employable workforce. Hence, at KBS, technical education is offered as an experience of teaching, interactions, placements, internships, fields projects, group work, outbound programs, coupled with co-curricular activities and cultural events so that our students enter the workplace with a balanced perspective, focused on organizational objectives yet being very sensitive to the core value of humanity.

## From the Director's Desk

The world today is driven by Information and Communication Technology. To deal with pace of ICT revolution and its invasion in day today life, high competence and technical excellence with an attitude to learn and evolve is required for any IT professional. We at JVIMS-KBS aim to inculcate in our students the capability to learn and implement the theory in order to bridge the gap between the academics and the practices in the real IT world.

JVIMS-KBS focuses to provide its students the environment and resources to be competent and hone their skills to understand the latest technology and tools to support the quality of the software being developed. Deep technical knowledge and understanding of the concepts is encouraged, by providing the guidance and realistic mentoring, transforming the raw student into a technically competent and confident software professional.

JVIMS-KBS MCA, under the aegis of the pioneers of education Oshwal Education Trust is proud to launch the first batch of its software specialists. I have a strong conviction that the values inculcated in our students along with the technical dexterity and competence will lead them to be an asset for any organization.

I invite the ICT and the corporate world to join hands with the leaders in the software educators to reshape the face of the ICT in an improved and better world by giving an opportunity to JVIMS-KBS and to prove their mettle and contribute to the world.

Thanking you.

Yours Sincerely,

A handwritten signature in black ink, which appears to read "K. J. Thankachan".

## Campus Life

The life at the campus is a mix of learning with creativity, technology with professionalism, techniques and practice with fun and excitement that propels the student to bring out the best in him/her. A vast range of sports, cultural, educational and social activities are available to students, faculty, and staff. Getting involved in campus life is the quickest way to become a part of the institute, and to create one's own unforgettable experience. Campus life activities are built around the concept of encouraging each community member to express his or her talents and to respect all members of our pluralistic community.

# Campus Life

## Library

The library and information services play a vital role in supporting, teaching and learning activities, and provide the main source for individual research at Institute. Library is meant to keep the academic community keep abreast of the latest development in their area of activities and to provide information support for research and consultancy. At the same time, the library is an invaluable source of information to complement their course curriculum, as well as enrich their self-development.

## Laboratory

At Institute, the computer labs are truly cutting-edge and flaunt the latest in technology. They incorporate the latest hardware and software facilities, networked with access to the internet. The Institute campuses have air-conditioned computer labs with computer of latest configuration connected with LAN. The computers expose the students to a wide variety of operating system and application software such as visual studio, Ms-office, Oracle, Java, SQL, etc. Expert and experienced computer engineers head the computer center.

## Classrooms

State of the art well spaced classrooms are furnished with ergonomically designed furniture and are adequately lit to ensure environment to study. Classroom have LAN connectivity with overhead ceiling mounted projectors to augment the blackboard teaching with other visual aids. Raised platforms and podiums to facilitate comfortable teacher- student contact helps in maintaining the tempo of the curriculum. Each class has also been allocated lap top computers to have live demonstrations of the various concepts being taught.

## Sports

The sports and games facilities at the campus make the students attain physical fitness and sports spirit. Major games like Cricket, Basketball, Football, Volley-ball, Table Tennis, Hockey, etc. are given prime importance. Intra-college and intercollegiate matches and sports day & events give the students ample opportunity to develop their talents and skills.

# Campus Life

Befitting the standards of the participants in a professional education program, the Institute has evolved a system to provide guaranteed accommodation on the basis of their confirmed request. All residents are provided furnished accommodation. Halls of residence are equipped with water coolers, solar heating system, water Pelletier's

## Activities

## Seminars & Workshops

Emphasis is laid on presentation and seminars to prepare prospective programmers to be pro-active in seeking, acquiring and sharing knowledge. Conducted by experts and specialists trainers for faculty and students to assist them to acquire specialized topic based knowledge and to enhance & sharpen their competitive skills to face corporate challenges.

## Guest Lectures

At KBS we invite guest speakers who inspire, stimulate and inform the students about the current scenario in corporate world. Guest lectures enrich academic content of classroom by giving practical insights in to the subject matter. Interactive session with the guests help in producing the multi-faceted talent with knowledge of & out of text.....

## Mentor Groups

An innovative idea to augment guidance and motivation to the students is through mentor groups. A mentor group comprises of many students and a mentor faculty is assigned to the group. A student mentor is designated who helps and cooperates with the group to augment their learning under the guidance of the faculty mentor. This provides a close and informal, out of the class room interaction, between the faculty and students, owing to the small size of the group.

## Social Role

To make our students socially responsible citizens, social events like tree plantation, visits, collection, donations to weaker sections of the society, old age homes etc are organized. It allows them to project their potentials, multiple talents, team work and spirit of collectiveness inculcating in them, the virtues of cooperation, coordination, projection, expanding and enhancing their knowledge base in range and depth.

# Achievements

Leading by example is the philosophy of teaching, and the faculties are involved in research and analysis work reflected through their contributions at various levels like :

- Paper titled Cross layer privacy enhancement in Network Security was presented by Ms. Seema Makhecha & Ms. Apexa Joshi in the National Seminar by PESIT, Bangalore.
- Paper titled "Society & Social role of Informatics and Cybernetics" authored by Mrs. Sushmita Dhawan was accepted at IMSCI, 2009 at Florida, USA.
- Participation in various inter-college competitions was as under

## Our Success Mantra

Our success mantra

Respect all.....

Respect students

Respect staff

Respect management

Respect the institute

Respect university

Respect education and learning

## Projects & Placement

"NO wind is favorable if the destination port is unknown". To reach the final destination, the placement team is formed at KBS. This committee is a good blend of students from various specializations and background, and are responsible for managing different portfolios. Efforts are put by placement team to find suitable jobs for the students qualifying for the award of MCA degree. The placement team has received a very good response from domestic as well as multinational companies for its placement activities. The placement efforts will yield appreciating results.

The first batch of the college is going to pass put in Jun 2011 and is currently undergoing project at various software companies. Wide range of platforms and technologies are being offered by the companies for implementation. Their exposure to handle live projects ensures the application and implementation of the theoretical concepts and techniques learnt as part of academics. Companies are being approached and invited to carry out campus interviews to augment their placement.

## OSHWAL EDUCATION TRUST

*Catering To Educational Needs From  
Pre-primary (KG) To Post-Graduation (MBA & MCA)*

Oshwal Education Trust was registered on 14<sup>th</sup> January 1986, as Charitable Trust, in order to provide "English Medium" educational facilities to the students of Jamnagar. One educational institute after another came up in quick succession.

### **Educational Institution managed by Oshwal Education Trust:**

- Smt. Prabhaben Lakhamshi Haria Kindergarten School
- Shri Lakhamshi Govindji Haria Primary School
- Shri Lakhamshi Govindji Haria High School
- Shri Gosar Hansraj Gosrani Commerce College
- Shri Dharamshi Devraj Nagda B.B.A.College
- Smt. Chandramaniben Zaverchand Meghji Gosrani B.C.A. College
- Smt. Kasturben D. Nagda Institute of Language Teaching (B. Ed. College)
- Shri Jaysukhlal Vadhar Institute of Management Studies & Shri Bipin T. Vadhar College of Management (M.B.A.) College
- Shri Keshvaji Bharmal Sumariya M.C.A. College
- Haria Institute of Spoken English
- Oshwal Education Trust PTC College
- Oshwal Education Trust Managed College for PGDCA

Oshwal Education Trust (OET), has been a 'Brain Child' of Shri R.K.Shah, Managing Trustee, under whose able leadership the trust has matured into a complete educational need provider. His untiring zeal has been instrumental in starting various institutes in a short span of time, all being managed aptly by dedicated trustees.

In 1995, Shri Bipinchandra T. Vadhar with his rich experience as an administrator and as a management expert took over the reins of the trust as the "Director of Higher Education". Having realized the dearth for English Medium College and the plight of the students who had to leave the city in order to pursue higher education. He worked zealously contributing his might both quantitatively and qualitatively to establish English medium College namely "Shri Gosar Hansraj Gosrani Commerce & Shri Dharamshi Devraj Nagda B.B.A. College." He is highly instrumental in making M.B.A. a reality.

These centres of learning are the fruitful outcome of the creation engineered by the founders through their untiring efforts. Several generations to come will remain indebted to the founders for their glorious vision, which was translated into action.
