Blessings from Chairman...

The Oshwal Education Trust is dedicated to its vision of providing quality education to the youth of Jamnagar. OET focuses on developing professionalism, critical thinking, and sincerity in every individual.

In today's technology-driven world, the role of IT professionals has become more crucial than ever. A true IT professional must not only excel technically but also set new standards of innovation and problem-solving that push the boundaries of the industry. At JVIMS MCA, we strive to deliver technical excellence while instilling a strong sense of ethical and societal responsibility in our students. Our MCA students are equipped with advanced technical skills and the ability to adapt to the evolving IT landscape.

I believe our talented and dynamic students have the potential to contribute significantly not only to your organization but to the larger tech community. I welcome your participation in this year's recruitment process, fostering a mutually beneficial relationship.

Jayantilal Haria
Shri Jayantilal Haria

Chairman - Oshwal Education Trust

Invitation from managing Trustee...

I am pleased to introduce the Master of Computer Applications (MCA) Class of 2025 at Oshwal Education Trust-managed Shri Jaysukhlal Vadhar Institute of Management Studies & Shri Keshavji Bharmal Sumaria MCA College (JVIMS-KBS), affiliated with Gujarat Technological University and approved by the All India Council for Technical Education, New Delhi.

At Oshwal Education Trust (OET), we are committed to developing future-ready IT professionals through a blend of advanced technical education and practical learning experiences. Over the course of two years, students collaborate with industry experts, experienced faculty, and alumni from various technical backgrounds, gaining hands-on experience that encourages them to push boundaries in the field of technology.

I am confident that these skilled, passionate, and forward-thinking individuals have the potential to drive innovation and add immense value to your organizations. I invite companies, tech firms, startups, and other entities to provide our students with opportunities to contribute to a technologically empowered future.

R. K. Shah

DIRECTOR's Message

Dear Recruiters, Greetings from JVIMS!

At the outset, I would like to express my sincere gratitude for your continuous support, which has helped JVIMS-KBS MCA College to establish itself as a premier institute for computer education in the region.

It is with great pride and pleasure that I introduce the talented and dedicated students of the MCA program at JVIMS-KBS. The class of 2023-25 consists of a dynamic group of students with outstanding academic achievements and active participation in various extra-curricular activities.

At JVIMS-KBS, our MCA students are trained to uphold the tradition of academic excellence, combined with practical, hands-on learning and a forward-thinking mindset. Our alumni have excelled in various tech roles, taking on challenging positions across leading organizations. We are confident that this legacy will continue with the current batch, as they contribute to the growth of the corporate world.

I extend a warm invitation to visit our campus, meet our students, and discover their potential as valuable assets for your esteemed organization.

Campus Life

The Learning Centers

The classrooms or learning centers provide the most conducive atmosphere for dynamic and focussed discussion. They are equipped with state-of-the-art facilities like projectors and audio-visual systems creates the right atmosphere for long hours of study

The Library

The fully equipped library runs on automated software with the latest multimedia library facilities. It has a modern collection of books and periodicals primarily related to technology and allied subjects. It is a hub for all academic activities and the students can also use it as a place for quiet-self-study. The wide array of books, journals, audio-visual materials meet the learning needs of the academic community of the institute.

High - Tech Computer Center

The Computer center has a state-of-the-art infrastructure with advanced computing facilities to provide unbridled free 24x7 internet access to all the students round the year. The computers are of advanced configuration and latest software are available to provide holistic IT training facilities. The entire campus is interlinked with internet & intranet with broadband connection. The multimedia ready computers, operating in Wi-Fi campus provide a wonderful backend support to the students and teachers in extracting and extending the best quality learning and teaching environments.

Sports Center

Apart from the academics, JVIMS-KBS encourages students to indulge in various sports activities such as Badminton, Table Tennis, Basketball, Handball, Cricket, Chess etc. JVIMS-KBS has a well equipped Sports Center with provisions for all indoor games under one roof within the campus. There is a Sport committee to promote sports activities and participation in inter college competitions.

The Chill Out Zone - Cafeteria

The aesthetically designed cafeteria at institute campus serves a nourishing buffet and other la carte option to students and faculty. Both quality and quantity are the utmost priority. The cafeteria is a neat and tidy place to have sumptuous meals at subsidized rate.

Accommodation

The quality of student accommodation is an essential ingredient in academic success and enjoyment of student life. The Institute has made arrangement for lodging and boarding of outstation participants. Befitting the standards of the participants in a professional education program, the Institute has evolved a system to provide guaranteed accommodation on the basis of their confirmed request. All residents are provided furnished accommodation. Halls of residence are equipped with water coolers, solar heating system, water Pelletier's.

Social Role

To make our students socially responsible citizens, social events like tree plantation, old age homes visits, collection & donations to weaker sections of the society etc. are organized. It allows them to project their potentials, multiple talents, team work and spirit of collectiveness inculcating in them, the virtues of cooperation, coordination, projection, expanding and enhancing their knowledge base in range and depth.

Guest Lectures

At JVIMS-KBS we invite guest speakers who inspire, stimulate and inform the students about the current scenario in corporate world. Guest lectures enrich academic content of classroom by giving practical insights in to the subject matter. Interactive session with the guests help in producing the multi-faceted talent with knowledge of & out of text.

SEMINARS & WORKSHOPS

Emphasis is laid on presentation and seminars to prepare prospective programmers to be pro-active in seeking, acquiring and sharing knowledge. Conducted by experts and specialists trainers for faculty and students to assist them to acquire specialized topic based knowledge and to enhance & sharpen their competitive skills to face corporate challenges.

MENTOR GROUPS

An innovative idea to augment guidance and motivation to the students is through mentor groups. A mentor group comprises of many students and a mentor faculty is assigned to the group. A student mentor is designated who helps and cooperates with the group to augment their learning under the guidance of the faculty mentor. This provides a close and informal, out of the class room interaction, between the faculty and students, owing to the small size of the group.

PROJECTS & PLACEMENT

"NO wind is favorable if the destination port is unknown". To reach the final destination, the placement team is formed at JVIMS-KBS. This committee is a good blend of students from various specializations and background, and are responsible for managing different portfolios. Efforts are put by placement team to find suitable jobs for the students qualifying for the award of MCA degree. The placement team has received a very good response from domestic as well as multinational companies for its placement activities. The placement efforts will yield appreciating results. The fourteenth batch of the college is going to pass put in June 2024 and is currently undergoing project at various software companies. Wide range of platforms and technologies are being offered by the companies for implementation. Their exposure to handle live projects ensures the application and implementation of the theoretical concepts and techniques learnt as part of academics. Companies are being approached and invited to carry out campus interviews to augment their placement.

- Smt. Kusumben Mohanlal Gosrani Internation School(KMGIS)

Oshwal Education Trust (OET), has been a 'Brain Child' of Shri R. K. Shah, Managing Trustee, under whose able leadership the trust has matured into a complete educational need provider. His untiring zeal has been instrumental in starting various institutes in a short span of time, all being managed aptly by dedicated trustees.

In 1995, Shri Bipinchandra T. Vadhar with his rich experience as an administrator and as a management expert took over the reins of the trust as the "Director of Higher Education". Having realized the dearth for English Medium College and the plight of the students who had to leave the city in order to pursue higher education, he worked zealously contributing his might both qualitatively and quantitatively to establish English medium College namely "Shri Gosar Hansraj Gosrani Commerce & Shri Dharamshi Devraj Nagda BBA College." He is highly instrumental in making M.B.A. a reality.

These centers of learning are the fruitful outcome of the creation engineered by the founders through their untiring efforts. Several generations to come will remain indebted to the founders for their glorious vision, which was translated into action.
