Oshwal Education Trust (OET) believes in sustaining values and imparting the same to all the budding managers joining our campus. In the past year OET has undergone a huge technological change to inculcate the students to be well versed with the current business practices and managerial implications.

Today, there is an increasing global consciousness in all sectors and societies of the world. Globalization has created multinational organizations designed to compete in the broader economic playing field. Keeping the same in mind, we at JVIMS - KBS MCA College are committed to meeting the emerging challenges and opportunities of the globalized world. JVIMS - KBS strives to produce the best professionals and thought leaders in the industry. This commitment is through leadership with deep understanding of business and the intention is to encourage intellectual curiosity and open minds to the vast opportunities in the business world.

The programme stresses on participative learning and relies heavily on Practicals, Projects, Internship training and Discussions, besides academics in the classrooms.

Consequently, our students learn to be more agile, strong in academics, technically sound, pragmatic in their approach and, above all, sincere and hardworking. Enough emphasis is also laid on development of overall personality of the students through industry exposure and interactions.

Our Institute has perfected its role and scope and have also gone beyond to create a better society by delivering sound technocrats ready to meet today's challenges.

The pursuit of the program demands intellectual maturity, strength of purpose and willingness to work hard for those endowed with inquisitive minds and professional aspirations.

Let's strive together to bring out the best in us...

Invitation from Managing Trustee

At JVIMS-KBS MCA College, quality education is more than a philosophy; it is the very essence of its existence.

A disciplined, serene and pleasant environment envelops the campus. It blends beautifully with the green landscaping, aesthetic elegance of arches and the vibrant pursuit of knowledge by the young aspirants. The academic ambience gives full scope for studies as well as activities, which are plenty, as also to individual pursuits for development on preferred tracks.

JVIMS-KBS MCA College shares the campus with four other institutions viz Commerce, Management, Computer Applications and Diploma Studies. All have distinguished record of achievements. Students joining the Institute have therefore, an opportunity of interaction with the academic community of the entire campus. The academic environment generated by the interaction between professional disciplines has a stimulating influence, especially in the formative years of young students. Exposure to such environment helps the students to develop good communication skills, an integrated personality and greater competitive spirit.

The dedication and commitment with which the students and faculty have worked over the past five years have paid rich dividends and this really should make this institute the most preferred one among the student fraternity. The students of this institute have so far been consistently securing top ranks in Gujarat Technological University examinations. The performance of a student in the examinations is not the sole criterion of the quality of education acquired; nevertheless, it is an important indication of the effectiveness of the academic inputs.

Students are encouraged to participate in national and international competitions/events and have received appreciation by winning prizes.

Placement of graduates of last four batches has been note worthy.

I invite students and organizations to join hands for a bright future...

R.K. Shah

Managing Trustee - Oshwal Education Trust

From the desk of Chairman Management Committee

Dear Students,

The wealth of a nation consists in the number of educated men and women it harbours. In a competitive world where global market share is determining winners and losers among nations, it has become increasingly necessary to ensure that besides a sound education, our students have the ability to engage and win in the global context.

Having embraced the glory of reason, believing that Knowledge is Power, Knowledge is Safety, Knowledge is Happiness, at JVIMS – KBS MCA College, we understand that Institute can be a powerful force –a place where thinking people can act and interact, not just to share old knowledge but, to make new knowledge. And, in the course of making new knowledge, these people are themselves remade and transformed. They become leaders—not just capable students, not just competent workers but, men and women with ideas of their own, ready to change the landscape of the future.

Although the excellence of faculty, the dedication of our staff and the interest and the support of our patrons are essential ingredients contributing to our success, the caliber and commitment of our students is most vital. Our students have the caliber to conquer the globe with their powerful and talented mindsets.

Students who graduate from our Institute are expected to understand and respond effectively and efficiently to the technological, environmental and ethical challenges they will face in a world of accelerating change.

Shri Mohanbhai Gosrani
Trustee & Chairman – College Management Committee

OSHWAL EDUCATION TRUST

Catering To Educational Needs From
Pre-primary (KG) To Post-Graduation (MBA, MCA & MAM)

Oshwal Education Trust was registered on 14th January 1986, as Charitable Trust, in order to provide "English Medium" educational facilities to the students of Jamnagar. One educational institute after another came up in quick succession.

Oshwal Education Trust (OET), has been a 'Brain Child' of Shri R.K.Shah, Managing Trustee, under whose able leadership the trust has matured into a complete educational need provider. His untiring zeal has been instrumental in starting various institutes in a short span of time, all being managed aptly by dedicated trustees.

In 1995, Shri Bipinchandra T. Vadhar with his rich experience as an administrator and as a management expert took over the reins of the trust as the "Director of Higher Education". Having realized the dearth for English Medium College and the plight of the students who had to leave the city in order to pursue higher education. He worked zealously contributing his might both quantitatively and qualitatively to establish English medium College namely "Shri Gosar Hansraj Gosrani Commerce & Shri Dharamshi Devraj Nagda BBA College." He is highly instrumental in making M.B.A. a reality.

These centres of learning are the fruitful outcome of the creation engineered by the founders through their untiring efforts. Several generations to come will remain indebted to the founders for their glorious vision, which was translated into action.
