Blessings from Chairman

Oshwal Education Trust (OET) believes in sustaining values and imparting the same to all the budding managers joining our campus. In the past year OET has undergone a huge technological change to inculcate the students to be well versed with the current business practices and managerial implications.

Today, there is an increasing global consciousness in all sectors and societies of the world. Globalization has created multinational organizations designed to compete in the broader economic playing field. Keeping the same in mind, we at JVIMS – KBS MCA College are committed to meeting the emerging challenges and opportunities of the globalized world. JVIMS - KBS strives to produce the best professionals and thought leaders in the industry. This commitment is through leadership with deep understanding of business and the intention is to encourage intellectual curiosity and open minds to the vast opportunities in the business world.

The programme stresses on participative learning and relies heavily on Practicals, Projects, Internship training and Discussions, besides academics in the classrooms.

The need of the hour is to be up-to-date with technical know-how. The pedagogy includes a series of Workshops, Guest lectures, Seminars, Classroom discussions and Practical exposure. All our energies of skill-imparting exercises are linked to practicalities of the business world.

Consequently, our students learn to be more agile, strong in academics, technically sound, pragmatic in their approach and, above all, sincere and hardworking. Enough emphasis is also laid on development of overall personality of the students through industry exposure and interactions.

Our Institute has perfected its role and scope and have also gone beyond to create a better society by delivering sound technocrats ready to meet today's challenges.

The pursuit of the program demands intellectual maturity, strength of purpose and willingness to work hard for those endowed with inquisitive minds and professional aspirations.

Let's strive together to bring out the best in us...

Invitation from Managing Trustee

At JVIMS-KBS MCA College, quality education is more than a philosophy; it is the very essence of its existence.

A disciplined, serene and pleasant environment envelops the campus. It blends beautifully with the green landscaping, aesthetic elegance of arches and the vibrant pursuit of knowledge by the young aspirants. The academic ambience gives full scope for studies as well as activities, which are plenty, as also to individual pursuits for development on preferred tracks

JVIMS-KBS MCA College shares the campus with four other institutions viz Commerce, Management, Computer Applications and Diploma Studies. All have distinguished record of achievements. Students joining the Institute have therefore, an opportunity of interaction with the academic community of the entire campus. The academic environment generated by the interaction between professional disciplines has a stimulating influence, especially in the formative years of young students. Exposure to such environment helps the students to develop good communication skills, an integrated personality and greater competitive spirit.

The dedication and commitment with which the students and faculty have worked over the past five years have paid rich dividends and this really should make this institute the most preferred one among the student fraternity. The students of this institute have so far been consistently securing top ranks in Gujarat Technological University examinations. The performance of a student in the examinations is not the sole criterion of the quality of education acquired; nevertheless, it is an important indication of the effectiveness of the academic inputs.

Students are encouraged to participate in national and international competitions/ events and have received appreciation by winning prizes. Placement of graduates of last four batches has been note worthy.

I invite students and organizations to join hands for a bright future...

From the desk of Chairman- Management Committee

Dear Students,

The wealth of a nation consists in the number of educated men and women it harbours. In a competitive world where global market share is determining winners and losers among nations, it has become increasingly necessary to ensure that besides a sound education, our students have the ability to engage and win in the global context.

Having embraced the glory of reason, believing that Knowledge is Power, Knowledge is Safety, Knowledge is Happiness, at JVIMS – KBS MCA College, we understand that Institute can be a powerful force -a place where thinking people can act and interact, not just to share old knowledge but, to make new knowledge. And, in the course of making new knowledge, these people are themselves remade and transformed. They become leaders-not just capable students, not just competent workers but, men and women with ideas of their own, ready to change the landscape of the future.

Although the excellence of faculty, the dedication of our staff and the interest and the support of our patrons are essential ingredients contributing to our success, the caliber and commitment of our students is most vital. Our students have the caliber to conquer the globe with their powerful and talented mindsets.

Students who graduate from our Institute are expected to understand and respond effectively and efficiently to the technological, environmental and ethical challenges they will face in a world of accelerating change

Director's Message

It gives me immense proud and privilege to introduce the young and dedicated students of MCA Programme of JVIMS. The class of 2011-14 comprises of highly vibrant batch of students, with superlative performance records in academics and extra curriculum.

Since its inception in 2008, the aim of JVIMS has been to create true professionals, who could fit into the versatilities of the markets, working out with 3 C's i.e. Commitment, Curiosity and Creativity. The determination of students coupled with highly qualified & experienced faculty make them a right choice for you to position them not only as a human resource but also as a change agent in the today's dynamic business environment.

"n' couraging curiosity and creativity", This motto of JVIMS truly relates to its vision to be an academic institute of first choice to transform lives by delivering creative talent that will change the world for better. So, we at JVIMS, focus on delivering quality education to our students. The students begin with a solid foundation with good conceptual knowledge and acquire ability to apply it to actual business situations through problem solving using creative thinking and an innovative mind-set. In view of the versatile needs of the markets, till now JVIMS has been able to help and groom the students and able to upkeep its rich tradition of pursuing academic excellence.

I extend a hearty welcome to you, to visit our campus, and also know the intellect of our students, and give them an opportunity to prove themselves as the human assets for your esteemed organization.

Message from the MCA Staff

On behalf of the MCA Department, We welcome you all to a world of quality teaching. We are a focused group of individuals here, aiming to groom our students so that they can face the world with confidence. Our college provides the students with the opportunity to explore the wealth of learning. Our results this year and the enthusiasm in our students speak for us.

The department motivates Staff and Students to promote Industry Institute Interaction and R&D activities. In addition to regular curriculum the department organizes technical seminars, symposia, workshops, conferences, industrial visits & implant training to expose the students to the real world environments and to enable them to gain practical knowledge. The department has excellent modern (Advanced) computing facilities with latest Software and Hardware. The Students as well as the Department is being nurtured by a highly qualified, motivated, and progressive group of young intellectual faculty members who are in the habit of taking any latest technological challenge head-on and delivering the best possible end results.

It gives me great pleasure to present before you our outstanding post graduates students for final placements. We are looking forward for various prominent Companies & MNC's to recruit quality minds of JVIMS-KBS MCA and enable them to reach the top echelons of their life & career.

Wishing you the best for a bright future.

CAMPUS LIFE

The Learning Centers

The classrooms or learning centers provide the most conducive atmosphere for dynamic and focused discussion. They are equipped with state-of-the-art facilities like projectors and audio-visual systems creates the right atmosphere for long hours of study.

The Library

The fully equipped library runs on automated software with the latest multimedia library facilities. It has a modern collection of books and periodicals primarily related to management and allied subjects. It is a hub for all academic activities and the students can also use it as a place for quiet-self-study. The wide array of books, journals, audio-visual materials meet the learning needs of the academic community of the institute.

High-Tech Computer Centre

The Computer centre has a state-of-the-art infrastructure with advanced computing facilities to provide unbridled free 24x7 internet access to all the students round the year. The computers are of advanced configuration and latest software are available to provide holistic IT training facilities. The entire campus is interlinked with internet & intranet with broadband connection. The multimedia ready computers, operating in Wi-Fi campus provide a wonderful backend support to the students and teachers in extracting and extending the best quality learning and teaching environments.

Sports Complex

Apart from the academics, JVIMS-KBS encourages students to indulge in various sports activities such as Badminton, Table Tennis, Basketball, Handball, Cricket, Chess etc. JVIMS-KBS has a well equipped Sports Complex with provisions for all indoor games under one roof within the campus. There is a Sport committee to promote sports activities and participation in inter college competitions.

The Chill Out Zone - Cafeteria

The aesthetically designed cafeteria at institute campus serves a nourishing buffet and other la carte option to students and faculty. Both quality and quantity are the utmost priority. The cafeteria is a neat and tidy place to have sumptuous meals at subsidized rate.

Accommodation

The quality of student accommodation is an essential ingredient in academic success and enjoyment of student life. The Institute has made arrangement for lodging and boarding of outstation participants. Befitting the standards of the participants in a professional education program, the Institute has evolved a system to provide guaranteed accommodation on the basis of their confirmed request. All residents are provided furnished accommodation. Halls of residence are equipped with water coolers, solar heating system, water Pelletier's.

Social Role

To make our students socially responsible citizens, social events like tree plantation, visits, collection, donations to weaker sections of the society, old age homes etc are organized. It allows them to project their potentials, multiple talents, team work and spirit of collectiveness inculcating in them, the virtues of cooperation, coordination, projection, expanding and enhancing their knowledge base in range and depth.

ACTIVITIES

Guest Lectures

At JVIMS-KBS we invite guest speakers who inspire, stimulate and inform the students about the current scenario in corporate world. Guest lectures enrich academic content of classroom by giving practical insights in to the subject matter. Interactive session with the guests help in producing the multi-faceted talent with knowledge of & out of text.

Seminars & Workshops

Emphasis is laid on presentation and seminars to prepare prospective programmers to be pro-active in seeking, acquiring and sharing knowledge. Conducted by experts and specialists trainers for faculty and students to assist them to acquire specialized topic based knowledge and to enhance & sharpen their competitive skills to face corporate challenges.

Mentor Groups

An innovative idea to augment guidance and motivation to the students is through mentor groups. A mentor group comprises of many students and a mentor faculty is assigned to the group. A student mentor is designated who helps and cooperates with the group to augment their learning under the guidance of the faculty mentor. This provides a close and informal, out of the class room interaction, between the faculty and students, owing to the small size of the group.

Projects & Placement

"NO wind is favorable if the destination port is unknown". To reach the final destination, the placement team is formed at JVIMS-KBS. This committee is a good blend of students from various specializations and background, and are responsible for managing different portfolios. Efforts are put by placement team to find suitable jobs for the students qualifying for the award of MCA degree. The placement team has received a very good response from domestic as well as multinational companies for its placement activities. The placement efforts will yield appreciating results.

The third batch of the college is going to pass put in June 2014 and is currently undergoing project at various software companies. vWide range of platforms and technologies are being offered by the companies for implementation. Their exposure to handle live projects ensures the application and implementation of the theoretical concepts and techniques learnt as part of academics. Companies are being approached and invited to carry out campus interviews to augment their placement.

OSHWAL EDUCATION TRUST

*Catering To Educational Needs From
Pre-primary (KG) To Post-Graduation (MBA & MCA)*

Oshwal Education Trust was registered on 14th January 1986, as Charitable Trust, in order to provide "English Medium" educational facilities to the students of Jamnagar. One educational institute after another came up in quick succession.

Educational Institutions & other infrastructures managed by Oshwal Education Trust:

- Smt. Prabhaben Lakhamsi Haria Kindergarten School
- Shri Lakhamsi Govindji Haria Primary School
- Shri Dharamshi Devraj Nagda B.B.A.College
- Smt. Chandramaniben Zaverchand Meghji Gosrani B.C.A. College
- Smt. Kasturben D. Nagda Institute of Language Teaching (B. Ed. College)
- Shri Jaysukhlal Vadhar Institute of Management Studies & Shri Bipin T. Vadhar College of Management (M.B.A.) College
- Shri Keshvaji Bharmal Sumariya M.C.A. College
- Haria Institute of Spoken English
- Oshwal Education Trust Managed College for PGDCS
- OET Managed Diploma Engineering College - proposed
- Haria Global School (CBSE) (Proposed)
- Oshwal KnowlEdge Academy (Coaching for CA & CMAT)
- Shri Nathalal Virpar Shah - Boys Hostel
- Shrimati Jashodaben Nathalal Virpar Shah - Girls Hostel

Oshwal Education Trust (OET), has been a 'Brain Child' of Shri R.K.Shah, Managing Trustee, under whose able leadership the trust has matured into a complete educational need provider. His untiring zeal has been instrumental in starting various institutes in a short span of time, all being managed aptly by dedicated trustees.

In 1995, Shri Bipinchandra T. Vadhar with his rich experience as an administrator and as a management expert took over the reins of the trust as the "Director of Higher Education". Having realized the dearth for English Medium College and the plight of the students who had to leave the city in order to pursue higher education. He worked zealously contributing his might both quantitatively and qualitatively to establish English medium College namely "Shri Gosar Hansraj Gosrani Commerce & Shri Dharamshi Devraj Nagda B.B.A. College." He is highly instrumental in making M.B.A. a reality.

These centres of learning are the fruitful outcome of the creation engineered by the founders through their untiring efforts. Several generations to come will remain indebted to the founders for their glorious vision, which was translated into action.

“A Journey of thousand miles begins with step...”
